Letter to the Editor – Mount Evelyn Street Festival

I would like to extend my warmest congratulations to everyone involved in the organisation of the Mount Evelyn Street Festival on Saturday.

A phenomenal crowd meant that there were many familiar and new faces, which added to the sense of community that Mount Evelyn is renowned for.

It was a lovely day with beautiful weather. Families were able to take their time walking around between stalls, enjoy a bite to eat and catch up with friends.

I would like to give a special mention to Mount Evelyn Primary School students for their singing performance and Birmingham Primary School students for their skipping display. I would also like to acknowledge The Edge karate school for a marvellous demonstration of their student's skills.

It was thoroughly enjoyable and a full credit to the organising committee.
