### **Christine Fyffe declares community victory on dangerous Clegg Road and Wellington Road Intersection.**

Liberal Member for Evelyn Christine Fyffe has declared a community victory after leading the fight to have improved signage, line marking, street lighting and rumble strips installed on the Wellington Road north approach to Clegg Road.

“I have been advised that what will be delivered is what we asked for, which is terrific,” Mrs Fyffe said.

“Residents of Wandin North and Mount Evelyn as well as regular users of the Clegg Road and Wellington Road intersection know from experience to perform double and sometimes even triple checks before crossing Clegg Road,” Mrs Fyffe said.

“Non-locals and tourists who aren’t familiar with the intersection, tend to assume that Wellington Road is a continuous road that they can drive straight through,” Mrs Fyffe said.

“We have had many serious accidents at this intersection and some very hairy near misses too,” Mrs Fyffe said.

Although Mrs Fyffe raised the issue on a number of occasions both through letters to the Minister and in Parliament, it was the support of the community that Mrs Fyffe attributes with providing the necessary impetus to get the works finally approved.

“People power really does work. I have always been a big believer in it. Give a person a pen and they can move the earth with it,” Mrs Fyffe said.
